

TURN PLAY INTO PURPOSE.

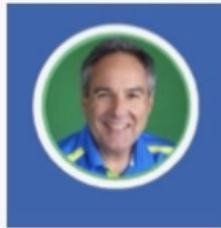

A distinctive school fundraising partnership from Mark Miller's Munchkin Programs

THE OPPORTUNITY

Fundraising companies serving schools, daycare centers, and preschools can offer families something far more memorable than a traditional catalog: ***Ace the Court***—a playful coloring and activity book that brings children, parents, movement, and confidence together.

Mark Miller is the founder of Mark Miller's Munchkin Programs and the educator behind a nationally recognized pickleball lesson for **484 children in Chicago**. The event received television coverage from CBS, NBC, ABC, FOX, and Telemundo.

MEET MARK MILLER

A youth-program innovator committed to making movement, confidence, and family connection fun for kids.

WHY ACE THE COURT WORKS FOR SCHOOL FUNDRAISERS

A PE-Ready Resource

Introduce young learners to pickleball through engaging, age-appropriate activities that encourage movement and skill-building.

A Family Connection Tool

Parents can color, talk, and play alongside their children while using the book's positive self-esteem messages.

A Fundraiser With Impact

Proceeds can help a school build an *Ace the Court* package: books, child-friendly paddles, pickleballs, and equipment bags.

PROVEN APPEAL: *Ace the Court* is available through Amazon, Walmart, and Barnes & Noble, with international availability including Italy and Germany.

A PIZZA FUNDRAISER THAT ENDS IN A CELEBRATION

For pizza fundraising companies, Mark Miller will host a pizza party at the participating school—at his own expense. It is a high-energy way to celebrate the fundraiser, reward students, and give families an experience they will remember.

LET'S HELP KIDS ACE THE COURT—AND BUILD CONFIDENCE ALONG THE WAY.

Partner with Mark Miller's Munchkin Programs to create a fundraising experience that promotes healthy play, family engagement, and real value for the schools you serve.
